WILDLIFE RECORDING FORM

Recorder's Name:

E-mail:

Address:

DATE*	GRID REF* (4 FIG minimum)	LOCATION	NUMBER SEEN	SPECIES* NAME (Latin or Common)	RECORD TYPE (e.g. Dead on road, feeding signs etc)	COMMENTS (e.g. Habitat detail, behaviour, cause of death etc)
05/07/2010	*NO257036*	*Formonthills, Glenrothes*	*2*	*Roe Deer*	*Field Record*	*Doe and fawn observed in woodland plantation.*

The above form is designed to help with noting records in the field. It would be helpful if these records were typed into an Excel Spreadsheet or input to **Species_Recorder** (see www.fifenature.co.uk for further details), and e-mailed to **alexa.tweddle@fifecountryside.co.uk**. You can also mail your paper records if you do not have access to suitable computer facilities.

*** Denotes a required field.**

Fife Nature Records Centre is operated by Fife Coast and Countryside Trust, a registered environmental charity ("FCCT"). By submitting this form, you are consenting to FCCT using both the wildlife information you submit and your personal details as set out in FCCT's Data Use Policy, which can be found at www.fifenature.co.uk. FCCT may, at its discretion, use the wildlife information you submit on this form to maintain a database of nature records. Please note that this database will not contain any personal information that you could be identified from. However FCCT may pass on your personal contact details to any third party who requests such information for the purpose of discussing further the wildlife information you submit. Please let FCCT know if you do not wish your personal information to be used in this way by contacting us at ask.uk@fifecountryside.co.uk.
